**INTERVIEW SUMMARY**

Honorable Commissioner for Patents:

On May 11, 2005, applicant's counsel Lloyd W. Sadler (Reg. No. 40,154) and Patent Examiner Philip B. Tran conducted a telephonic interview to discuss claims 72-73 of the above referenced patent application. The substance of this interview is as follows:

We discussed the cancellation of independent claims 72 and 73. The applicant agreed to file a terminal disclaimer. Agreement was reached between the Examiner and the applicant's counsel that with these changes this application should be allowable. Applicant's counsel indicated that he believes that the cancelled claims could also be allowable and reserved the right to pursue those claims in a continuation application.

The applicant believes that the foregoing constitutes a full and recitation of the substance of the interview.
